When is stamp duty paid?

When buying a property over a certain price, stamp duty is payable to the HMRC 14 days from the date of completion or you may risk a fine. Your solicitor or legal adviser should take care of this for you and ensure you don't miss the deadline. Some buyers prefer to add on the stamp duty tax amount to their mortgage loan. Please speak to your mortgage provider.

Stamp Duty Land Tax (SDLT) is a progressive tax paid when purchasing a freehold, leasehold or shared ownership residential property over £250,000 in England and Northern Ireland (separate taxes apply in Wales and Scotland).

Different SDLT rates and thresholds apply to non-residential property or mixed use land. The rates, which are payable only on the PORTION of a property price that falls within each band, were updated in the mini-Budget on 23 September 2022 and are set out below.
